The mission and work of the Savannah High School Alumni and Friends Association (SHSAFA) is intended to promote love, peace, progress, and prosperity by exemplifying the qualities expected of every Savannah High graduate. Further, we encourage achievement in education by granting scholarships to deserving, qualified high school graduates and GED recipients. It is our purpose to enrich the educational and social life of the communities in which we live.

If you attended or graduated from Savannah High School, or you would just like to be a Friend of the Association, we extend an invitation for you to become a Member of our organization!
